Leader: God, we are beginning a journey with you to the cross. The word is almost too big for us to get our arms around. Its meaning staggers us.

People: But we hear you calling. We see you motioning us to follow, and we want to fall in step beside you.

Leader: When we are exhausted, raise us to walk again.

People: When we stumble, help us up.

Leader: When we want to turn back, encourage us.

ALL: May we take seriously the meaning of your cross, as we take up our cross, standing beside each other, daring one another to take the risks you ask so that together we can live out your mission in the world.
