## Responsive Reading

“Grace”

Leader: Faithful and loving God, we bring our fragmented lives into the presence of your wholeness.

**People: We bring our wandering thoughts into your eternal light.**

Leader: We bring our restless spirits into the calming strength of your grace.

**People: We give you thanks because even in moments of great anxiety, when the threads of our lives are hanging loose, chaotic, and disconnected, we can be confident that you are with us.**

Leader: We're too busy to stop, hurling ourselves through life, weary from holding up a big section of the sky. We confess...again... that we have labored under the assumption that the way to find rest for our souls is to finish our list of things to do and present it to you like a book.

**People: Forgive our compulsiveness. We forget that your grace envelopes us.**

Leader: O, God, remind us that we do not have to do it alone. When we look down the road we see Jesus, waiting to heave

the weight of our load onto his shoulders.

**People: In your mercy, Lord, we claim your grace.**
