

In the Pulpit this week:

Dr. Robert E. Wiley
Multi-Housing Consultant, GBC

Guest Preacher

Dr. Wiley, who now lives in Douglasville, is a Multi-Housing Consultant for the Georgia Baptist Convention. His former ministries include serving as a church planter in Eastern North Carolina. He is a former Executive Director-Treasurer of the Illinois Baptist Association. He is a former Division Director and Department Associate for the Associational Missions Division of the North American Mission Board (then known as the Home Mission Board).

We welcome Dr. Wiley to our church as he brings the message to us in both worship services this Sunday.

Dear friends,

Thanks so much for your generosity which you expressed in the gift of the Christmas bonus check. Your kindness helped Mary Ruth and me have an extremely enjoyable Christmas.

I pray that the days ahead will bring the church an abundance of good things. Best wishes for many blessings.

Cordially yours,
Bill Lacy

Notes from Tom

Be on the lookout! Charitable Contribution Statements for 2007 will be mailed next week. If you do not receive yours, please let me know, and we will be certain that you get a replacement.

Offering envelopes should have been delivered to you near the end of December for the first quarter of 2008 (January—March). If you did not receive yours, please let me know—we have sets we can give you.

Our choirs are back in action. If you have considered joining a choir, now is the perfect time as we begin new music. All of our choirs will begin working on music for Easter in the next couple of weeks. Come and join us as we prepare for the Resurrection.

Update on Heating/Air Conditioning Repair Offering:

As of today, after the proceeds from the sale of some stock come in, we are within \$3,500.00 of the amount needed to completely pay for the Heating/Air Conditioning repair and upgrade for the education building first and second floors. Thank you for your generosity. We look forward to getting the work done as soon as possible, and we look forward to having it done without the need to borrow money to complete the work.
