THE END OF DAYLIGHT SAVING TIME

This is the weekend we return to "normal" time!

Don't forget to set your clocks BACK an hour Saturday night as we return to Eastern Standard Time this weekend.

When changing your clocks, it is also a good idea to change the batteries in smoke alarms in your home. If you cannot check the smoke alarms yourself, please feel free to contact the Hapeville Fire Department, and they will do it for you. They will check batteries, change batteries, and replace smoke detectors for you.

JUST THINKING. . .

We have a great opportunity to experience one of Southern Baptist's excellent authors on November 18. The Atlanta Baptist Association has invited Reggie McNeal for a one-day workshop. Reggie's past experience involves over a decade as a denominational executive and leadership development coach. He also served in local congregational leadership for over twenty years, including being the founding pastor of a new church. Reggie has contributed to numerous denominational publications and church

leadership journals, including Understanding How God Shapes Spiritual Leaders (Jossey-Bass, 2000), The Present Future (Jossey-Bass, 2003), Practicing Greatness (Jossey-Bass, 2006), and Get A Life! (Broadman & Holman, release date Spring 2007).
The Workshop will be November 18 at the Dunwoody Baptist Church from 9:00 am to 3:00 pm. Call the office to make your reservation by Friday, November 14.

NOTES FROM TOM

It's the most wonderful time of the year! There's a chill in the air. There's the smell of firewood burning in fireplaces. Everyone feels festive and celebrative. That can only mean one thing—*THE END OF DAYLIGHT SAVING TIME!!*

If you read this before Thursday evening, please come to the church and help with the fun and games at our Fall Festival Thursday (5:30—7:30 pm).
