## JUST THINKING. . .

A good friend of mine, Kirk Hadaway, has done church research for decades. Kirk has consistently pointed to one important fact regarding church growth: "If a church wants to grow, evangelism is the most important thing that church leaders can do." You and I do want the church to grow. Through all the activities of our church, we will be able to develop a "prospect" listing. Folks who attend or bring their children or show interest in our church deserve follow-up visits from us. It is my intention to set the pace and to lead us to becoming a growing church.

A training class in personal evangelism will be offered each Sunday evening in March. The class will focus on one's personal testimony, the witnessing con-

versation, and how to effectively use witnessing materials in the witnessing experience. A sign-up sheet is available in the hall near the church office.

Plan to be a part of the hosting team for the movie "Fireproof." All that you need to do is come at least 45 minutes before the movie starts, take an assignment as one who welcomes visitors, assists visitors in finding their way, assisting in the registering process, and help then thank those visitors for coming after the movie is over. Kitchen help is needed in making popcorn and soft drinks available to our guests, and in cleaning-up the facilities after the movie. You can call the office or . . .

## NOTES FROM TOM

Children everywhere! That's how it seemed last Wednesday as we had an additional 20 or so children from the apartments down the street. Hector Sanchez, who is working among the Hispanic population in Hapeville brought some children and parents to our Children's Choir last week, and he promised more this week! We are also talking about setting aside another afternoon each week for a Youth Choir for grades 6 - 12. This is an exciting development,

and we look forward to finding ways to consistently reach out to the children of our community and their families.

If you would be interested in working with a children's choir (preschool, younger children, older children, or youth), please let me know. With more workers, we will be able to divide the children for part of the time each week and focus on more age-appropriate activities for each age group.

## VOLUNTEER OPPORTUNITIES
